

## HELIDECK INSPECTION

# CERTIFICATE

## SEA INSTALLER

A2SEA

The helideck on above mentioned installation has been inspected according to legal national and international requirements (AVV-HFP, ICAO Annex 14 Vol.II and ICAO Heliport Manual) and, where applicable, to other national standards for offshore helidecks (CAP 437). The helideck has been found suitable for helicopter operations subject to below stated limitations, non-compliances and authorization by the approving authority.
